

Listening First Stereo Headphones

Model 2800-BL

1. Adjustable headband comfortable for extended wear
2. Specifically sized for young students
3. Ideal for beginning computer classes and story-time uses
4. Permanently attached with reinforced "strain" connection resists accidental pull out
5. 6 foot straight cord with 3.5mm plug set at right angle reduces accidental pull-out
6. Ambient noise-reducing earcup lowers outside noise so volume does not need to be as high, as recommended by audiologists for hearing safety
7. Rugged ABS plastic earcups resist breakage in high-use situations
8. Replaceable leatherette ear cushions
 - Volume control set by the teacher for student protection
 - IBM, iMac and Mac compatible
 - One year warranty for school use - unlike headphones purchased at consumer electronics stores whose warranties would be voided if used in schools.

This Listening First Stereo Headphone is specifically built for young students with safety as its first concern. Rugged ABS plastic earcups withstand daily use with external volume control set by the teacher for student safety. This headphone is ideal for story-time, library and computer uses.
